EDUCATION

SRM Institute of Science and Technology, Chennai

CGPA:9.52(
Till 5th

Semester)

Pursuing B. Tech in Computer Science and Engineering with AI and ML

2022- 2026

EXPERIENCE

- **Data Engineering Virtual Internship**
(October 2024 – December 2024)
AICTE Virtual Internship
- **Data Analytics Process Automation Virtual Intern**
(July 2024 – September 2024)
AICTE Virtual Internship
- **Full Stack Web Intern**
(May 2024 – July 2024)
Samyak IT Solutions Pvt Ltd
- **AI-ML Intern**
(January 2024 – March 2024)
AICTE Virtual Internship
- **Android Developer Intern**
(September 2023- November 2023)
AICTE Virtual Internship

PROJECTS

- **Vision Walk(Hackathon: HackNova)** | [Project Link](#) | *Python,Open CV,Yolo*
 - A basic Image to Text to Speech model for detecting obstacles.
 - It will tell at what distance and what obstacle is there through an earphone plugged in.
 - Developed software using OpenCV, Python and Yolo and hardware using Arduino Uno,Servo Motor,Spectacles.
- **Blood Bank Database Management System(Subject: DBMS)** | [Project Link](#) | *HTML,PHP,SQL*
 - A web- based application where user can donate or take the blood whenever in need.
 - Blood bank can access data of the patients who needs blood and the ones who have donated.
 - Used PHP,HTML for designing the website and SQL for database management
- **Calendar(Subject : C)** | [Project Link](#) | *C language*
 - A mini project where user will enter a valid year and it will show the months and dates(including weeks) of that year.
- **Knowledge Representation and Insight Generation(Intel Industrial Training)** | [Project Link](#) | *ML: Python,Flask,Colab*
Website: Svelte,Tailwind CSS,Javascript
 - Develop an AI- based solution to process and analyze structured datasets, effectively representing knowledge and generating meaningful insights to aid decision-making.

PROGRAMMING SKILLS

Languages: C, Python,Django,HTML,CSS,Javascript

Databases: SQL

Course Work: Data Structures & Algorithms, Problem-Solving, OOPS, Operating Systems, DBMS, Artificial Intelligence

ACHIEVEMENTS/COMMUNITIES

- Participated in several hackathons like Smart India Hackathon(SIH),Hack Nova, OODP Hack '23.
- Several Certificates from MyCaptain like Data Analytics with Python, AI.
- Certificates from Amazon, Courseera and Google.
- Solved several questions on different coding platforms.
- Global Certification from Alteryx
